Bornholm
The Mecca for Sea-trout

Bornholm is the Mecca for Sea-Trout!

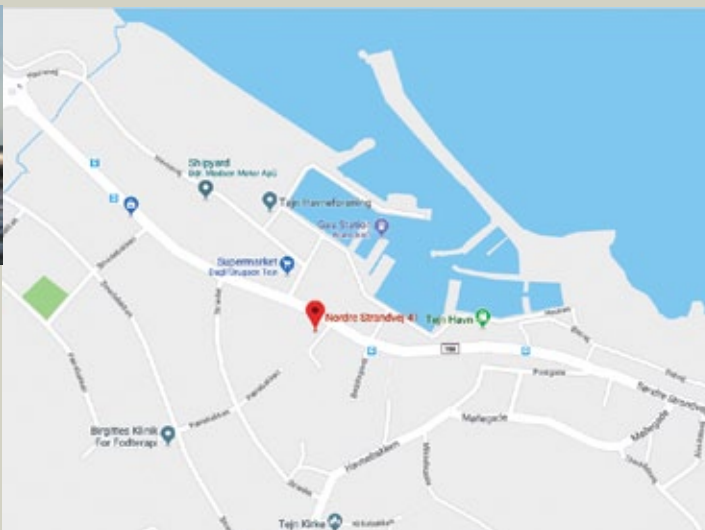

You can catch sea-trout throughout the year from all around the coastal area of Bornholm. Naturally some areas are better than others. From HAVNEHYGGEN, you are centrally located close to the best areas on the Northeast coast of Bornholm and only a short drive to most of the other prime locations.

Bornholm also offers opportunities to catch many other types of fish all year 'round including trout, salmon and cod. (See the Fish Season chart in this brochure). Bornholm is an island of record fish catches. Many people have brought home their trophy fish! People from all over Europe come to this small island to enjoy some of the best fishing locations in all of Northern Europe! This pursuit is combined with an enjoyment of the island's prime gastronomic offerings.

Welcome to HAVNEHYGGEN where anglers (sports fishermen) have the perfect accommodation for fishing trips throughout the year. This being either for you and your family or for a group of fishermen from a club or an organization – any time you choose! HAVNEHYGGEN is a perfect location for all that Bornholm can offer you, with many types of fishing from deep-sea, trolling, coastal spinning or fly fishing to the peaceful pursuit of carp fishing in Bornholm's many lakes. Known as the host town for the annual Trolling Master Bornholm tournament, HAVNEHYGGEN is the most central located accommodation in Tejn.
