The lovely little white sand beach cove provides a refreshing Baltic Sea 'dip'!

Pack a picnic for a afternoon of sun & fun on the beach. Stop by the local microbrewery, at Penyllan, a short 'hop' from your front door! Head north to stop in at the Café Norden or turn down the Kyst Stien Coast path weaving along the rocky coastline and by preening swans towards Sandkås and Allinge/Sandvig. Enjoy a refreshing swim in the delightful, expansive white sand beach bathed in gentle waves or soak up some sun and bask in the welcoming warmth of this quiet community.

HAVNEHYGGEN welcomes in the special cheery, nurturing sunshine of Bornholm. Tejn, is a lovely village overlooking the sea on the Northeast Coast. The host of the annual "Trolling Master Bornholm" event in which hundreds participate from near and far every May, pleasure vessels and commercial fishermen share the roomy, secluded harbor year round!

You can enjoy watching the bustle of the harbor from your 2nd story balcony or join in by fishing from the pier, putting your boat in the water for a day at sea or go on a fishing trip to seek out salmon, trout, cod or whatever is drawn to your lore that day.
